Pressure From Professional Pest in Oklahoma Strength-Sources Increased; New Low Records Made.

Note — Quotations reflect closing sales Thursday, April 2.—Without the support of buying by the shorts, prices fell away and much of Thursday's advance was canceled in the morning. Demand was feeble and pressure from professional sources gradually increased.

Progress of reorganization plans for Rock Island and Washash was reflected in the wide and variable changes in the securities of the roads. Rock Island stocks and collateral bonds made new low records Wahash "8, after rising to 58½, as compared with 54½ at the close of last week, fell back three points. State, municipal and the most conservative railroad bonds showed improvement.

Other bonds were irregular.

Selling orders did not follow prices down and the market in the main was steadler in the afternoon. Declines in copper metal quotations abroad were largely responsible for the speculative selling of the local copper group.

The close was week at the same as Thursday night to ½ to ½c lower.
